Kids

Super Friends to the Rescue (Ages K-5th, 45 min.)

What is your super strength? Your strength may be singing, athletics, cooking, reading, building, entertaining-the possibilities are endless (just like your imagination). Like many super teams, working together can help you accomplish so much more. Gather your friends to join kids' comedian Dennis Porter for interactive, improvisational, theater fun. We will create and perform stories focusing on bringing everyone's strengths together and letting everyone be heard, for good in the world.

Under the Big Top (Ages Pre-K to 5th, 45 min.)

Ringmaster Dennis takes your audience into the excitement of the circus. Your trip to the circus comes complete with music, magic, juggling, and audience participation. Meet our great performers like Hubert, Sassy and The Great Dingalings!

Teens & Adults

Say What? (60 or 90 minutes)

This workshop allows you to stop over-thinking and let yourself be heard. Enjoy the fun of improvisation as we work to help you say what you want to say.

Mad Skillz (90 minutes)

Crews will be created, teamwork will be tested, skills will be shown and excitement will ensue! Work together to race against your fellow players as you figure out the puzzles, use your creativity and show off your Mad Skillz.

Murder Mystery (1½-2 hours)

Pack your thinking cap, keen eye and good memory to put together all the clues and solve the mystery. Eight people play the characters in the mystery, and the entire audience plays detective. Disclaimer: No patrons are actually injured during this program. (*Waves of Danger, Cleaver Class of 19-Deadly-2, A Funny Thing Happened on the Way to Murder*)
